

# Andean Awakening Tour (13 days) Machu Picchu, Sacred Valley & Lake Titicaca, Peru May 9-21, 2011

Are you being drawn to Machu Picchu and the enchanted Andes of Peru? Perhaps you are sensing the shift of the planet's spiritual energy center from the Himalayas of Tibet and India to its new home in the Andes of South America. This movement only happens every 13,000 years and we are blessed to be living during this era so we can be part of the incredible power of this move.

This May you are invited to join spiritual guide and shaman, Jorge Luis Delgado, and Junia Gail Imel in this once-in-a-lifetime transformational journey - to a world acknowledged by many, including the Dalai Lama, as the new spiritual energy center of our planet. Place yourself in the center of the powerful, mystical energies of the Andes where shifts and activations of new levels of awareness and states of consciousness will occur. Together we will explore our depths, rediscover our essence, remember who we are and build a bridge to our inner world.

We'll travel for 13 days and 12 nights experiencing the amazing sights of the **Sacred Valley**, the ruins at **Machu Picchu**, and the cobblestone city of **Cuzco**. And, we'll knock on the door of Amaru Muru and follow Wiracocha's route through the holy waters of **Lake Titicaca**.

These sacred Inca sites are ancient lands that speak to the soul as much as to the eye. We'll journey back in time to a place of ancient wisdom. We'll travel as a small group into sacred sights of profound beauty. We'll walk the land, voyage the waters, and break bread with the people. As an intimate group, we'll contemplate, expand awareness, and assimilate new personal wisdom.

Traveling as a small group we'll have flexibility and ease - however that means there are only 16 spaces available. If you hear the call in your soul, please join us for this amazing spiritual journey into a time and place of spectacular beauty and soulfulness!
